Software Engineer & Developer

📍 Karachi, Pakistan | 📞 +92 315 3980168 | ✉️ ahadraza77987@gmail.com

## • about me

With over three years of experience as a Software Developer, I specialize in designing, developing, and maintaining high-quality software solutions. I have a strong background in both front-end and back-end development, with a focus on scalable and efficient code. My role involves collaborating with cross-functional teams to build innovative applications and ensure seamless integration across platforms.
